

DecodeIntraFrame

```
graph LR; A[DecodeIntraFrame] --> B[jpeg_ls_predictor]
```

A diagram showing a call from the function `DecodeIntraFrame` to the function `jpeg_ls_predictor`. The `DecodeIntraFrame` box is shaded gray, and the `jpeg_ls_predictor` box is white. A blue arrow points from the right side of the `DecodeIntraFrame` box to the left side of the `jpeg_ls_predictor` box.
